Courses passed (or currently taking) as part of your bachelor's degree

Please complete the form below specifying what courses you have in the various topics/areas.

If you have not passed a course yet, you omit the grade. Otherwise copy the grade and credits from your transcript (do not try to convert it).

Subject area	Course title(s)	Credits	Grade
Programming (e.g., object-oriented programming, software architecture, algorithms, data structures).			
Computer systems (e.g., databases, computer architecture, networks, operating systems, web technology, distributed systems and security).			

Subject area	Course title(s)	Credits	Grade
Industrial design (e.g., sketching, physical design, prototyping, design theory, experience design, service design).			
Physical Computing (Interactive technologies, sensors and actuators, location- and context aware systems, basic electronic system and hardware).			
Human-Computer Interaction (e.g., interaction design and experimental system development).			
Mathematics (e.g., calculus, linear algebra, probability theory and statistics).
