

## Appendix to application MSc in IT Product Development, Aarhus University

---

This appendix helps the Admission Board evaluate your bachelor's degree against the admission requirements. Please fill out the appendix and upload it to your application in the application portal.

### Personal information

Your full name	
----------------	--

### Courses passed (or currently taking) as part of your bachelor's degree

Please complete the form below specifying what courses you have in the various topics/areas.

If you have not passed a course yet, you omit the grade. Otherwise copy the grade and credits from your transcript (do not try to convert it).

Subject area	Course title(s)	Credits	Grade
<b>Programming</b> (e.g., object-oriented programming, software architecture, algorithms, data structures).			
<b>Computer systems</b> (e.g., databases, computer architecture, networks, operating systems, web technology, distributed systems and security).			

Subject area	Course title(s)	Credits	Grade
<b>Industrial design</b> (e.g., sketching, physical design, prototyping, design theory, experience design, service design).			
<b>Physical Computing</b> (Interactive technologies, sensors and actuators, location- and context aware systems, basic electronic system and hardware).			
<b>Human-Computer Interaction</b> (e.g., interaction design and experimental system development).			
<b>Mathematics</b> (e.g., calculus, linear algebra, probability theory and statistics).			

**Compute average grade for the above courses:**

**Comments**
