<p>Date (DD/MM/YYYY)</p> <p>/ /</p>	<p>Signature (<i>by hand</i>)</p>

Application form Neuroscience and Neuroimaging

APPLICATION DEADLINE

Application deadline: **1 March 2023**

ACADEMIC ADMISSION REQUIREMENTS

Admittance to the MSc programme in Neuroscience and Neuroimaging is based on:

- A successfully completed bachelor's degree (or equivalent) or higher.
- A high-level of English language proficiency.

SELECTION CRITERIA

Students must be above average in at least one of the following categories:

Mathematics & technology	Biology & chemistry	Medicine & cognition
E.g. mathematics, statistics, informatics, programming, classical physics	E.g. biology, molecular biology, cytology, chemistry, pharmacology	E.g. physiology, anatomy, biomechanics, cognition

In evaluating qualified applicants, the admissions committee assesses each applicant on the basis of the following criteria:

1. Academic background (75%)
2. Other relevant experiences (25%)

Academic background:

This criterion includes average mark of BSc degree and the average mark of relevant courses weighted after the study load (ECTS credits)

Other relevant experiences:

Relevant work experience, Bachelor projects, laboratory projects etc.

The assessment is based on the supplied documented information and can, thus, not include marks/grades obtained after application deadline

ENGLISH LANGUAGE REQUIREMENTS

English language skills equivalent to an 'English B level' in Denmark are required (if you have graduated from a Danish "Gymnasium" then you automatically have level B) and can be documented as follows:

- **Required minimum IELTS score is 6.5**
- **Required minimum TOEFL Scores are:**
577 Points in the paper-based test or
233 Points in the computer-based test or
90 Points in the internet-based test
- **Cambridge ESOL examinations**
English B – Certificate in Advanced English (CAE) or First Certificate with grade A as a minimum.
Applicants must upload their **Confirmation of Entry** stating **candidate ID number** and **candidate secret number**, which are not stated on the test result itself.
- **CEFR validated English language course**
English B – C1 level

Application form Neuroscience and Neuroimaging

Applicants exempt from submitting an English test are:

- **"Native speakers" with an English language qualifying exam** (including applicants with a qualifying examination from USA, Canada, Australia, New Zealand, Great Britain, Scotland, or Ireland). Please note that applicants with a qualifying examination from all other countries (including African and Asian countries, where the exam has been taught in English) must submit a test.
- Applicants holding a Danish/Nordic/Duborg/[International Baccalaureate \(from the IB diploma programme\)](#)/European Baccalaureate (from the "ScholaEuropaea") entrance examination with an English level [the Danish Agency for International Education](#) considers comparable to a Danish B level in English
- **Applicants with an English language Bachelor's or a Master's degree from** USA, Canada, Australia, New Zealand, Great Britain, Scotland or Ireland. The applicant must document that the programme was taught in English.
